## **BIOGRAPHY**

WLDV starts its activity in 2012 performing parties with the best Italo Disco and derivatives, Disco, SynthPop, Minimal Wave, as well as EBM, Acid, Techno and House classics from the 80's and 90's evolving musically and updating to the modern electronic sounds of each style and exploring the new EBM, Electro, Acid, Disco and House music... Firstly as a duo until 2016, when due to creative and artistic reasons one of the members leaves the formation.

Then, Nathan Church, currently the unique member on WLDV and co-founder of the label Eclectic Reactions (working form 2014), with a varied and extensive musical career, began to create music based on synthesizers and inspired in electronic music of the 70's and 80's with clear influences of the B movies, sci-fi and horror, beginning the new stage musical production of WLDV. Since 2014 has published several albums, EPs, compilations, and mixes on different platforms and contributed with lot of them to podcasts and labels, in addition to a lot of different style edits regularly.

Until now, WLDV have released vinyls and cassettes on labels such as Giallo Disco, Bordello A Parigi, Waste Editions, Violette Szabo Soil Records, Eclectic Reactions, Cold Beats Aspecto Humano... among others, as well as tracks for VVAA and remixes.

He also played several Live performances and Dj sets in many clubs in Spain and internationally, both in Europe and North America.
